As you will see from this report, this past year has been exciting, challenging and innovative. The Angel Foundation for Learning is evolving and modernizing its systems to keep up with the growing demands of our programs and the communities we serve.

With a focus on broadening awareness, creating new fundraising opportunities and streamlining the financial operation of the Student Nutrition Programs, 2018 brought new excitement and fresh branding to The Angel Foundation for Learning (AFL). Here are some of the highlights.

- A complete overhaul of the website was undertaken after conducting surveys and researching best practices for charities our size. The new website is eye-catching, interactive and with the addition of e-commerce, visitors can now sign up for *Cents Off*, purchase Special Occasion and Christmas cards, register and buy tickets for the Evening to Feed the Soul Gala, the Ride to Feed the Soul, and the Charity Golf Tournament right on-line!
- Fundamental communication pieces—postcard, PowerPoint, ambassador package, *Cents Off* program material, banners and certificates were redesigned with crisp and eye-catching branding.
- An Evening to Feed the Soul, Angel Brigade Week, Civvies Day and The Ride to Feed the Soul event materials were also given a fresh new appearance to attract new audiences and create a sense of fun. We also introduced a new event, the Curiosities Art Show, thanks to a generous donation of original art works.
- The Student Nutrition Financial reporting form was redesigned to reflect the Toronto Catholic District School Board's (TCDSB) new KEV on-line school banking. Many training sessions were held throughout the year to instruct schools on the use of this new form and the use of KEV for parent donations to student nutrition.

The rejuvenation of communication elements and events have added a new sense of recognition and buzz around the AFL and we're looking forward to using this momentum to better tell our story and invite the Toronto Catholic Community to join us to make sure every TCDSB student has everything they need to succeed!

Thank you to the corporate partners, private donors, volunteers, the TCDSB, the AFL Board of Directors, the AFL staff and all of you who support us throughout the year.

President, The Angel Foundation for Learning

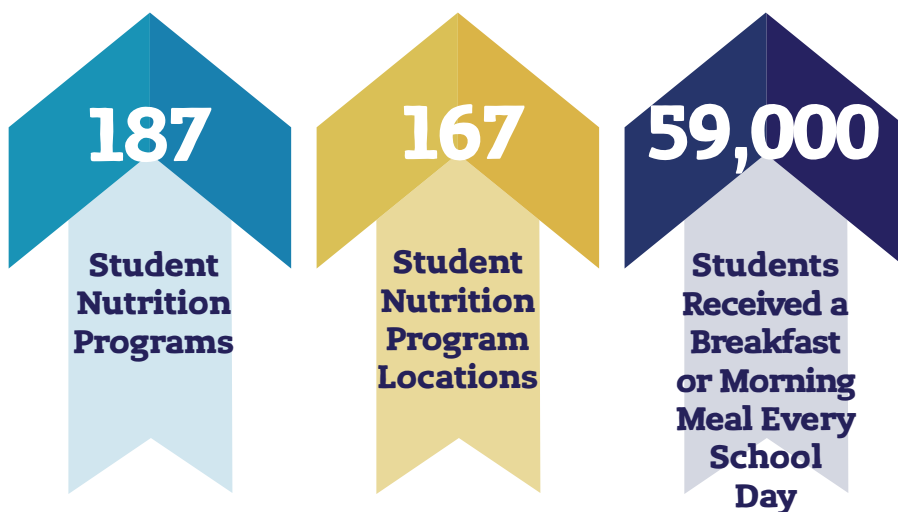

## Student Nutrition Programs

Students who have had a healthy and nutritious breakfast or morning meal are ready to learn and have improved attention spans. This is just one of the benefits of the Student Nutrition Programs (SNPs) in TCDSB schools. In the 2017-18 school year, 58,227 TCDSB students benefitted from a healthy breakfast, morning meal, lunch or snack daily. There were 187 Student Nutrition Programs operating in 167 locations.

Municipal and provincial government grants in the amount of \$5,117,802 cover approximately 24 per cent of the costs associated with running the SNPs. Schools raise the remaining funds through local fundraising initiatives, parent donations and community donations.

Some Student Nutrition Programs also receive grants from other organizations: Breakfast Clubs of Canada; the Grocery Foundation and President's Choice Children's Charity. The Angel Foundation also receives donations that are directed to Student Nutrition Programs from: TCDSB; The Youth and Education Fund; The Polish Orphans Charity; Dr. David Michelberger; CWL of St. Philip Neri; RTO District 24 and the Cardinal's Dinner.

## Nutrition Allocation Fund

The Nutrition Allocation Fund pays for sustainability and equipment for Student Nutrition Programs. The AFL received donations from the Youth and Education Fund (\$9,000) and the Polish Orphans Charity (\$20,450) that were directed to SNPs and used for this fund. Schools can apply for additional funds if they are experiencing difficulty in providing three food groups, five days per week. Seven schools received new refrigerators from this fund. In 2017-18, \$14,589.74 was distributed to the following schools:

Immaculate Conception	St. Charles	St. Michael Choir School
Nativity of Our Lord	St. Demetrius	St. Patrick CSS
Notre Dame	St. Francis Xavier	Sts. Cosmas and Damian
Our Lady of Victory	St. Michael	

## School Allocations

The School Allocation fund allows TCDSB students experiencing financial difficulty to participate in school trips and leadership experiences. In 2017-18, The Angel Foundation for Learning disbursed \$42,084.56 to 87 schools to ensure that no student was left behind when classes participated in school excursions. All TCDSB schools may apply for up to \$500 annually. These funds come from the AFL fundraising activities and the Cents-Off program.

## Guardian Angel Funds

Thanks to our fundraising events and the generosity of our donors, The Angel Foundation for Learning offered seven funds within the Guardian Angel wing of support to assist TCDSB students who had emergency needs that were beyond their family's means. We believe that all students should have access to warm clothing, food, shelter, medical supplies and other necessities of life. We distributed a total of \$147,606.87 in 2017-18.

### Social Work Emergency Fund (SWEF)

Each year the SWEF expenses exceed our budgeted amount. The budget for this fund was increased in 2017-18 to \$75,000. The SWEF is funded mostly from our fundraising activities, several donors (The Youth and Education Fund - \$3,000; Martin McCarthy - \$6,000; TD Securities-\$10,000) and directed donations. A total of \$88,096.11 was distributed to students and families from the following schools.

## The Angel Foundation for Learning Camp Fund in honour of Maureen O'Neil

This fund disbursed \$29,821.87, which made it possible for 193 students to attend summer camp and/or after school sports programs. We are grateful to The Youth and Education Fund (\$3,000) and to the Terra Tundra Foundation (\$2,000) for supporting this fund annually. The remaining balance was funded through general donations, the *Cents Off* program and our fundraising events. Students from the following schools were able to participate in summer camp programs, the North Region Basketball Association, leadership activities at Camp Olympia and other programs.
