What will The Angel Foundation for Learning Do With the Money?

- AFL Toronto supports student nutrition programs in 167 schools, which translates into 1.2 million healthy meals and snacks each month.
- During the periods of school closure, with no in school nutrition

programs, AFL has created the Food for Kids program, which provides grocery gift cards to families in need.

- AFL further supports students in our schools by ensuring that no student is left behind when it comes to leadership opportunities, school excursions and other co-curricular learning opportunities.
- The Foundation helps struggling families with basic necessities such as food, clothing and assistive devices for their children.
- AFL also administers a number of scholarships, bursaries and awards to enable students to pursue their post-secondary dreams.
