

## Why Support The Angel Foundation for Learning

The Angel Foundation for Learning supports students and their families across the City of Toronto, including newcomers. Every penny that is donated to the Foundation goes right back to helping students and families who are experiencing financial hardships.

Thanks to our generous donors and corporate sponsors, last year (2021-2022), AFL Toronto was able to provide:

- More than 1.2 million nutritious meals and snacks each month to students in schools through the Student Nutrition Programs
- \$2.1 million in grocery cards
- \$172,014 in emergency funds for basic essentials including support for families from Ukraine
- \$24,190 to offset the cost of Art and Sports Camps
- \$115,550 in Equity Funds including vouchers for school apparel (with special thanks to McCarthy's for providing funds for this initiative) and vouchers to offset post-secondary application fees. This also included \$40,000 in bursaries to help students with post-secondary tuition fees, and school awards to support the purchase of resources for school libraries.

Every donation, no matter how big or how small, can make a huge difference in the lives of those who are experiencing economic challenges.

**Donations are always welcome:**
