

Thank You for Continuing to Help Us to Help Students

It is no surprise to us that so many Canadians, and particularly Torontonians are struggling more than ever to make ends meet, and more adults and children are relying on food banks and other charities to help them with every day basic essentials. Thankfully, with the support of our generous donors and corporate partners, during the period of September to December 2023, we were able to provide students with assistance through the following:

- Arts Fund \$470
- Extreme Needs Funds \$6,900
- Reliable Life Fund \$2,950
- Peggy Project \$16,280 (to offset the cost of application fees to Ontario colleges and universities)
- School Allocation Expense \$4,500
- Camp Fund \$900
- Loretto Fund for Newcomers \$1,850
- Social Work Emergency Fund \$16,050
- Vouchers for school uniforms \$2,200

A Message from the Executive Director

"For it is in giving that we receive"

St Francis of Assisi

Dear AFL Friends,

It's an honor to begin my role in service as the Angel Foundation for Learning's new Executive Director. I follow a long legacy of leaders who have built AFL into the strong organization that it is today; focused on service to our youth and children and charitable care for every student.

As a teacher, principal and most recently superintendent of education in the TCDSB, I have witnessed how our schools can be beacons of hope and places for personal development along the educational journey for our children. However, when that experience is overshadowed by hunger, poverty or inequality; learning can be difficult. The Angel Foundation shares in the mission to stand on the right side of social justice and embrace the neediest of children and young people.

In our own lives, we are called to give generously in many ways. We have an opportunity to share our money, time and advocacy by giving back to our most vulnerable students through the important works of the Angel Foundation.

In his homily on the occasion of the World Day of the Poor last November, Pope Frances echoes this important call to share our charity with others. It's a challenge to do more, demanding true charity in what we share, how we give and the way we approach others: "Showered with gifts, we are called in turn to make ourselves a gift. Those of us who have received many gifts must make ourselves a gift for others."

How can you help? What difference can you make?
Thank you for being a companion to those we all serve.

Sincerely,

John Wujek
Executive Director, Angel Foundation for Learning

A-Team Believe Initiative

What an incredible experience this has been. Last year we had just 7 ATeams participate, and this year a total of 16 teams were involved from across the TCDSB. Each team worked through a number of assignments and online training sessions on the road to coming up with ideas for projects/initiatives in response to identified needs in their schools.

The amazing talent, creativity and passion of these student leaders blew us away at pitch day on February 23rd. Our guest judges were suitably impressed with the incredible pitches presented.

Our thanks to our judges, to the staff mentors who provided supervision and guidance, Mike Consul and the student leadership team and co-op students who helped make the day a huge success, and of course to the hundreds of students who stepped up to make their pitches in the hopes of winning some money to help with executing their ideas.

All teams received \$1,000 to help them initiate their projects and they are all winners in our books. The top three Marshall McLuhan-1st, Loretto College-2nd and Neil McNeil-3rd walked away with an additional \$2,500, \$2,500 and \$1,000 respectively.

Congratulations to all the angels who made this year's ATeam Believe initiative a tremendous success.

Marlies School Day Game

Close to 7,000 students were on hand to cheer on the Toronto Marlies to victory at the annual TCDSB-AFL-Marlies School Day Game on March 6th. AFL is grateful to MLSE (the Marlies) for donating more than \$21,000 to help us support urgent student needs.

Marc Lira from the Marlies presents the cheque to TCDSB Chair Nancy Crawford, Director of Education Brendan Browne and AFL Executive Director John Wujek.

Joining in the Great Big Crunch

AFL staff visited a few schools to celebrate student nutrition by biting into apples and other crunchy nutritious snacks. Picture below: Student Nutrition Program Coordinator Angela Olmstead participated in the Great Big Crunch at St. Roch.

Toonies for Tummies

AFL was pleased to support the Ontario launch event for the annual Toonies for Tummies campaign. Participating grocery stores and corporate sponsors help to raise funds annually through the campaign initiated by the Grocery Foundation more than a decade ago. AFL appreciates their support and partnership in the effort to fight hunger by supporting Student Nutrition Programs in schools across Toronto. This year's event was held at St. Augustine Catholic School in North York, with 90 volunteers helping to serve a nutritious breakfast to each and every student at the school. These included AFL's own Chair Don Walker, and TCDSB officials Director Dr Brendan Browne, Chair Nancy Crawford, Trustee Ida LiPreti and Executive Superintendent Shawna Campbell.

Loretto Sisters Day

AFL Executive Director John Wujek represented the Foundation at school events commemorating the 176th anniversary of the IBVM in Canada, to pay tribute to their legacy of leadership and giving. This included a Youtube broadcast focusing on the newcomer experience and the support that is provided through AFL's Loretto Fund for Newcomers. Schools raised approximately \$2034 to support the Loretto Fund.

iLITE

AFL was delighted to participate in four of the five iLITE sessions, which brought together more than 500 elementary student leaders from across the Board. It was a great opportunity for us to highlight the work of the Foundation, and what students can do to raise awareness and support all that we do to help TCDSB students. We count on these leaders of tomorrow to help make the world a better place for everyone.

CSLIT Hoodies

The new Catholic Student Leadership Impact Team (CSLIT) hoodies have arrived. Proceeds from the sale of the hoodies and other merchandise will be donated to The Angel Foundation for Learning. We are blessed to have so much support from TCDSB student leaders. They truly are

Let's Make 40

the New 20

Did you know that currently just 20% of all eligible staff have opted in to Cents Off their pay cheques in support of The Angel Foundation for Learning?

Let's double that to 40% so we can help twice as many students every year.

What is Cents Off?

Opt in, and literally just a few pennies will be deducted from each pay cheque throughout the year, which can amount to as little as 2 cents, with an occasional maximum deduction of no more than 99 cents. You won't even notice the difference in your take home pay, but our students will definitely notice as all those pennies will add up to huge support for those who need assistance.

You could win a prize every two weeks just for signing up. And our next **grand prize draw is coming up March 22nd** with three great prizes. You have to be signed up in order to automatically be entered into the bi-weekly draws as well as the grand prize draws. **Already signed up? Check your pay stub. If you don't see the deduction, please sign up again.**

Never has your help been needed as much as it is today. Opt in by scanning the QR code and **Let's make 40 the new 20!**

Ready for a New Car?

If you think your car has had its day, please consider donating your vehicle and the value of the vehicle or its parts can be turned into a donation to help us in the fight against hunger.

The Angel Foundation for Learning has partnered with Donate a Car Canada to accept your car donation.

You will be provided free towing, or you can drop off your vehicle to maximize your donation.

When you donate your car, truck, RV, boat, or motorcycle to The Angel Foundation for Learning through Donate A Car Canada, it will either be recycled or re-sold (depending on its condition, age and location). Your vehicle may not be a junk car, and they can help with that, too!

Donate a Car Canada will look after all the details to make it easy for AFLToronto to benefit. You will receive a tax receipt after your vehicle donation has been processed!

Ready to donate? Or need more info? Visit [Donate A Car](#)

Calling All Sports Lovers!

Discounted Tickets

Thanks to MLSE for their continued support of The Angel Foundation for Learning. They are once again offering a promo code to AFL supporters to purchase discounted tickets to any home game this season for the **Marlies** and **Raptors905**. They are also offering similar promo codes to **TFC** home games and Toronto **Argos** home games. We are still in the preliminary planning stages, but this will likely happen in October 2024. Watch for information coming your way later this year about a fun-filled event for the whole family.

Starting on Your Spring Cleaning?

If you are thinking of selling any of your unwanted new or gently used items, consider setting yourself up as a vendor on [GiveRise](#), the buy and sell platform with a heart. All vendors designate a charity of their choosing as the recipient of a percentage of each sale (the vendor decides how much or how little they wish to donate). You are of course encouraged to consider the Angel Foundation for Learning as the beneficiary of your kindness, but you are free to choose from a wide range of charities featured on the GiveRise platform.

You are also invited to browse the items that are up for sale on AFL's own GiveRise online store: <https://giverise.ca/the-angel-foundation-for-learning/>

The Return of the Snow Ball Gala--An Evening to Feed Dreams

It's been four years since our last Gala, and we were more than delighted to welcome over 450 sponsors and guests (including over 40 students and nutrition program volunteers) to celebrate the start of the holiday season with us at a new venue, Chateau Le Jardin. We are truly grateful for the incredible generosity of our sponsors and donors, and all who participated in the raffle and auction, which helped us raise record funds to support student needs. We are particularly grateful to MayStar, Poetry Living and AEC Group for donating tables so that some of our amazing SNP volunteers and student leaders could attend. Check out a few of the highlights below:

Dancers from St Mother Teresa Catholic Academy, under the leadership of Wendy Jones (left), guest violinist Sofia (centre) and the string quartet from Cardinal Carter Academy for the Arts under the direction of Daniela Gassi (right) delighted the crowd with beautiful performances.

Registration area (left) and a portion of our silent auction (right).

Retiring Executive Director John Yan (left) marked his final Gala as head of the Angel Foundation.
