Be an Angel and Help Students Soar. Your Sponsorship Makes All the Difference.

The Angel Foundation for Learning (AFL) provides direct, compassionate assistance to students and families across the City of Toronto who are facing crises that threaten their health, safety, and ability to participate in school. AFL supports student nutrition programs and helps stabilize families during emergencies such as illness, eviction, loss of income or food insecurity. Your financial support of our annual charity golf tournament will have a positive impact on the lives of many students.
